

STANDARD

LEASE PROGRAM

The following is a summary of the basic components of the Success Leasing Program. Actual contract terms may vary. Costs mentioned below are subject to change due to yearly updates.

LEASE PAYMENT COST

All trucks are covered by physical damage and B/T insurance and are equipped with a Qualcomm Omnitrac unit, APU, and inverter. APUs cost \$100 per week and come with a Success Leasing warranty.

Weekly fixed Payments:

Refrigerated (3-year lease)

Payments start at \$1,246

Payment amount declines as the truck gets older.

Flatbed (4-year lease)

Payments start at \$1,137

Payment amount declines as the truck gets older.

Tanker (4-year lease)

Payments start at \$1,175

Payment amount declines as the truck gets older.

SUCCESS PROTECTION PACKAGE

OEM Warranties

Success Drive line repair cash coverage: cash flow protection for all drive line repairs. You Shall only pay 50% of all costs in excess of five hundred dollars to repair or replace any drive line components and 100% of all costs less than five hundred dollars

PRE-LEASE TRUCKS

Trucks with mileage greater than 25K will have a 90-day bumper to bumper warranty. Trucks with less than 25K miles will have factory OEM warranty. This bumper to bumper coverage is for items other than tires, or driver negligence.

LOANER TRUCK PROGRAM

If your truck is unable to haul freight for an extended period of time (i.e. extensive truck repairs, etc), Success Leasing will provide a temporary replacement truck at no additional charge (subject to availability).

See more information on 2nd page.

This information is effective as of May 29, 2024 until further notice or cancellation.
Success Leasing reserves the right to modify the program at any time.
